The original owners are proud to offer this substantial, architecturally designed residence for the first time. Nestled away on a secluded approximately 18 acre (approx. 7.27 Ha) parcel of land with natural bushland surrounding the property, offering the ultimate tree change, and yet it's less than a 10 minute trip to Macarthur shopping centre and the railway station. Boasting a spacious four bedroom home with en-suite to the master bedroom plus study or 5th bedroom, high ceilings, grand formal and in-formal living areas including rumpus/games room with huge open fireplace. Sensational outdoor entertaining deck, large in-ground swimming pool and gazebo with purpose built wine cellar all overlook the lush natural tranquil backdrop complete with walking trails. Huge four car carport with pull down ladder to loft storage room plus oversized double garage, large workshop and storage (approx. 200m²) shedding. A rare property not to be missed. Photo identification must be presented to the agent by all parties prior to inspections. All care has been taken in providing accurate information in this advertisement.
